

MYSTERY SCRAPPY SATURDAY SAMPLER BLOCK 4

You need to cut 8 rectangles and fuse or appliqué the included plant onto four of the pieces. I suggest solid looking prints for the plants backgrounds. The other four pieces will be left un-cut, so I suggest medium to large coordinating prints. I used two different solid grounds and two different prints. Vary your rectangles as you like.

Cut 4 solid looking rectangles 8"x9 1/2" high

Cut 4 medium to large printed rectangles 8"x 9 1/2" high  
Make sure to leave at least 3/4 to 1" of open fabric next to each rectangle's edge as you apply the plant.

If funky flowers aren't your #1 choice be creative and design or use a favorite motif such as Sun Bonnet Sue, airplanes or leaves.

**SUGGESTED FAVORITE FUSIBLES:**

Steam-A-Seam 2  
Misty Fuse  
Heat-n-Bond Lite

Mysterious notes: After completing this row you will add the two-patch, c & d blocks saved from last months Block 3 Directions.
